Dell Printer Web Tool

Designed for easy installation, configuration and management of Dell network printers and consumables, this web-based tool can be set up to provide automatic e-mail notifications of printer, consumables and paper-handling alerts.

- Can be accessed using a standard web browser
- Doesn't require additional software installation
- Resides on printer hardware

The **Dell™ Workgroup Laser Printer W5300n** offers exceptionally fast printing speed of up to 45 pages per minute, bringing powerful, high-volume printing with a low total cost of ownership to large workgroups.

This printer delivers quick processing time with a 500MHz processor, standard 80MB memory (336MB max.) and a maximum duty cycle of 225,000 pages per month. You also get a high yield 18,000 page toner cartridge with optional ultra high yield 27,000 page toner cartridge for low cost per page. With crisp 1200 x 1200 dpi resolution and flexible media options, the W5300n can produce professional documents on a variety of media. Printing private and confidential documents can also be done securely with the Dell Workgroup Laser Printer W5300n.

What's more, you enjoy easy setup and installation through USB and 10/100BaseT Ethernet ports. Configuration and management of your W5300n network printer are also simple with the Dell Printer Web Tool. Finally, the Dell Toner Management System™ monitors toner levels and proactively notifies you before you run out.

The Dell Workgroup Laser Printer W5300n delivers:

*Approximate page yield is based on 5% coverage. **Use & Return cartridges are available for Dell's laser printers. Dell's Use & Return program is a printer toner cartridge discount program that avoids the hassle of traditional rebates. If you choose Use & Return, in exchange for the up-front discount you agree to use the cartridge only once, and to return the empty cartridge only to Dell for recycling. You don't have to choose Use & Return products if you want other recycling options. Use & Return saves you money on a new, top-quality product while helping keep materials out of landfills. Dell provides packaging and postage for returning empty cartridges for recycling.
